

# **Confidentiality policy**

Precious Ones view confidentiality as one of the most important policies.

All information regarding children and parents will be written on the relevant forms and kept out of site of other people to respect and protect the privacy of the children in our care and there families.

All information will not be discussed with a third party unless it is for the health and wellbeing of those concerned.

Anything talked about in the setting will not be discussed further with anyone else either while your child is here with us or they're after.
